## SATURDAY ZERUBBABEL

**I READ:** Haggai 2 : 1 – 10

After the Israelites came back from their exile in Babel, The Lord reminded them to rebuild the temple of Jerusalem and temple of God. The Lord appointed Zerubbabel to lead and coordinate the project. The Lord's message to Zerubbabel was to complete the project wholeheartedly. The Lord promised them that His Holy Spirit will remain in the midst of them to enable them to work. He also promised to send the wealth of the nations to fund the temple rebuild. From this story, we see how the miracles of God can happen if we respond to the Lord's calling in our lives and start to work on it wholeheartedly.

**I DECLARE:** *Zechariah 4:6 - This is the word of the Lord to Zerubbabel: 'Not by might nor by power, but by My Spirit,' Says the Lord of hosts.*

## SUNDAY RAJA YOSAFAT

**I READ:** 2 Chronicles 20:1-28

King Jehoshaphat was a well known Judah king. He was a man who feared the Lord and who ruled his nation according to the Lord's commandments. There was a time when Ammon and Moab were going to attack Judah. King Jehoshaphat gathered his people to pray, fast, and to seek the Lord's face. The Lord answered their prayers and gave the message for them to not fear because the Lord was going to fight for them. The very next day, they went to battle rejoicing as they praised the Lord and were shouting with joy. It was amazing because as they were praising the Lord and shouting with joy, the Lord defeated the enemies. They experienced a great victory and even had possession of the enemies' wealth for 3 days.

**I DECLARE:** *Acts 16:25-26 - But at midnight Paul and Silas were praying and singing hymns to God ... Suddenly there was a great earthquake, so that the foundations of the prison were shaken; and immediately all the doors were opened and everyone's chains were loosed.*

## MONDAY A CHILD

**I READ:** John 6:1-15

Today, we're going to learn from the story of how more than 5000 people were fed with 5 loaves of bread and 2 fish. How did a miracle happen at that time? Apparently, a little boy voluntarily gave up his 5 loaves of bread and 2 fish to the Lord. God was very pleased with what the boy did and as a result performed a miracle. As we are awaiting the Lord's miracle, let us prepare ourselves by giving the very best to God. Just like the child in the story, maybe that was all the food he had, but he gave it all to God. We should be like this child. Maybe the Lord is reminding us to sow/give in times where it seems impossible. But when we are obedient, a miracle will happen. At the end of this story, the little boy experienced a miracle by bringing home 12 baskets of bread.

**I DECLARE:** *2 Corinthians 9:7 - So let each one give as he purposes in his heart, not grudgingly or of necessity; for God loves a cheerful giver.*

## AWAITING THE LORD'S MIRACLES

**TUESDAY ABRAHAM****I READ:** Hebrews 6:11-20

Abraham was the father of faith. The Lord promised him that he would have a child in his old age. As he was waiting for the Lord's promise to come to pass, the promise never came. Abraham became much older and it seemed so impossible for him to have a child. The book of Hebrews talks about how Abraham's faith was amazing. He still believed in the Lord's promise and he believed that the hope that the Lord was giving him will come to pass. He continued to wait and had faith. Abraham believed that God does not lie, that he would never deny His promise, and that the Lord is faithful with His promises. In the end, in God's timing, Abraham had a son, Isaac.

**I DECLARE:** *Hebrews 6:19-20 - This hope we have as an anchor of the soul, both sure and steadfast, and which enters the Presence behind the veil, where the forerunner has entered for us...*

**WEDNESDAY JOSHUA****I READ:** Joshua 1:1-9

After Moses passed away, the Israelites were still in the desert; despite of God's pledge to bring them into the promised land. A land that is fertile, blessed and overly abundance land that is plethora with milk and honey. God remembered His promise and He called upon Joshua to lead the Israelites to take over the promised land. He reminded Joshua to dwell in God's Words for his continued success. What does it mean to dwell in it? It means that we ought to read the bible daily, meditate and act upon it. We also need to always declare His Words. John 15:5 states that if we dwell in His Words we will bear much fruit and whatever things we ask when we pray, we will receive them.

**I DECLARE:** *John 15:7 :If you abide in Me, and My words abide in you, you will ask what you desire, and it shall be done for you*

**THURSDAY ELIJAH****I READ:** James 5:16-18, 1 Kings 18:42-45

There is one thing that we need to learn from prophet Elijah. He was a human being like us, and with fervent prayer he prayed for it not to rain and it did not rain upon the earth three years and six months. His prayer shook the entire universe. Within moments, he was able to bring back the rain. Amazing! he had the ability because he prayed a determined and earnest prayer. To experience an amazing miracle in our lives, we need to supplicate. We need to dedicate a special time to pray, praise, worship, and declare His Words daily. Make a commitment today and expect His miracles by praying relentlessly.

**I DECLARE :** *Ephesians 6 : 18 : praying always will all prayer and supplication in the Spirit, being watchful to this end with all perseverance and supplication...*

**FRIDAY NAAMAN****RENUNGAN :** 2 Kings 5:1- 4

Naaman was a commander of the Syrian Army who continuously experienced victory in his battles. But there was one thing that troubled his heart. Naaman was a leper. One day, Naaman's servant girl, who was an Israelite, suggested for Naaman to go to Israel to meet a prophet by the name of Elisha. This prophet would be able to heal him. Naaman traveled to Israel and met Prophet Elisha. The prophet instructed Naaman to bathe in the Jordan River for seven times. When Naaman heard this, he became upset and refused to do what was told. His soldiers convinced him to stay obedient regardless and just do what was told by Prophet Elisha. Finally he obeyed and submerged his body in the Jordan River seven times. When he came out of the water on the seventh time, he saw that he was healed of his leprosy.

**I DECLARE:** *1 John 3:24 - Now he who keeps His commandments abides in Him, and He in him.*
