

DAILY WORD

SATURDAY BELIEVE IN THE LORD'S HELP

I READ: John 5:1–9

From this story, we can conclude that the Lord will not put us through a test or a trial that is more than we can handle. Satan will strive to make us stumble but the Lord will give us a way out so that we can win over any test or trial that may occur. Look at the story of the paralytic at the pool of Bethesda. He was close to being discouraged with his life situation (verse 7) but the Lord knew and He came to give him a way out according to His timing. In the end, the paralytic was able to experience a perfect miracle of healing. The Lord truly loves us and He will surely give us a way out for any struggle we face. Do not be shaken, continue to believe.

I DECLARE: *1 Corinthians 10:13 - ...but God is faithful, who will not allow you to be tempted beyond what you are able, but with the temptation will also make the way of escape, that you may be able to bear it.*

SUNDAY FUTURE FULL OF HOPE

I READ: Jeremiah 29: 11-14, Romans 8: 28

In this New Year, God has again given us his amazing promise, that our future will be full of hope and peace. God's plan is always good for us. Tragedy is from the devil and not from God. However, we need not fear, because God will not allow the devil to cause us harm. If the devil has evil plans for us, then God will turn them into goodness. If the devil wants to make things in our lives impossible, God will turn them into things that are possible. Nothing is impossible for God, even the dead can be resurrected. When the devil says it is impossible, God will make it possible. Do not worry or be afraid.

I DECLARE: *Romans 8: 28: -.And we know that all things work together for good to those who love God to those who are called according to his purpose.*

MONDAY TRUSTING THE LORD

I READ: John 14 : 12-14,
Philippians 4 : 13

When Jesus lived on this earth, He always did great miracles. He gave sight to the blind, rose the dead, and freed those bound by the demonic spirit. He also walked on the water, calmed the storm, turned water into wine, and performed many other great works. The Word that we read today said that when we trust in Jesus Christ, we can also perform all those miracles that He did before. Even more, we may outdo His miracles. Nothing is impossible when we faithfully put our trust in the Lord. But how do we do that? We first have to be confident about His love, grace, and work on the cross before our faith rises up.

I DECLARE: *Philippians 4:13: - I can do all things through Christ who strengthens me*

NEW YEAR, NEW HEART

TUESDAY BELIEVE IN GOD'S WORK ON THE CROSS**I READ:** Isaiah 53:1 - 12

The last thing that Jesus said before He died on the cross was, "It is finished," which derived from a Hebrew word *teleo*, which means that every debt, which is our sins, has been paid off. We can't pardon our wrongs with our own strength. His blood on the cross already forgave our sins and have made us righteous to receive the heavenly blessings. God has done His part, and now ours is to believe in the work of the cross by receiving it with our faith. If these days we are facing many challenges, believe that everything - all of our sins, sickness, and curses - have been borne on the cross by Jesus Christ so nothing is impossible for us anymore.

I DECLARE: *John 19:30 - So when Jesus had received the sour wine, He said, "It is finished!" And bowing His head, He gave up His spirit*

WEDNESDAY BELIEVE IN GOD'S LOVE**I READ:** Matthew 4:23-25, Ephesians 3:18

The Lord Jesus is a God who loves us, His children, very much. He doesn't play favorites. No matter who we are, He will help us if we are in need. When Jesus was on earth, whoever came to him in need of help, whether it a sinner, a Gentile, a poor man, or a fool, He always helped them. Anyone who was sick, was healed. People who were in bondage were freed. Anyone who needed a miracle was given one. Jesus provided all of the needs that the people needed. Even sinners were helped by Jesus. He reminded them not to sin again. God truly loves everyone.

I DECLARE: *Ephesians 3:18 : may be able to comprehend with all the saints what is the width and length and depth and height— to know the love of Christ.*

THURSDAY PATIENTLY WAITING**I READ:** Mark 5:21-24, 35-43

There is one very good attitude that we can learn from Jairus, how patient he was in waiting for God to perform His miracle. Even when others had already experienced their miracle before him, such as the woman who was bleeding, Jairus still waited patiently. Jairus actually asked Jesus to heal his child who was dying first. Jesus was ready to visit the child, but in the middle of His journey, suddenly a bleeding woman postponed His visit. Jairus' child even passed away while the Lord was on His way to visit him. Still Jairus did not complain to the Lord because Jesus didn't put him first. The Lord saw his diligent and steadfast heart that was waiting on his miracle, no matter what had happened. In the end, Jesus raised the child up from the dead.

I DECLARE: *Hebrews 6:12 - that you do not become sluggish, but imitate those who through faith and patience inherit the promises*

FRIDAY STEP BY STEP**I READ:** Mark 8 :22-26, Psalm 37:23

Through the story we read today, we can conclude that God can heal someone instantly but God will sometimes heal gradually. There are some people who will receive healing instantly but there are also people who will receive healing through medicines/technologies. The same goes with the miracles in our life. God can help us instantly/immediately but sometimes He will help us in steps. But one thing we can be sure is that God will completely solve it for us. The most important thing we have to do is for our faith to not falter and to be faithful in waiting for that miracle to happen. We have to believe that every step in our life has been set by God. In addition, there's a new hope, victory, and miracle that is waiting for us in every step we take.

I DECLARE: *Psalm 37:23 - The steps of a good man are ordered by the Lord, and He delights in his way.*
